Primary Report

Stage Three Report
This term year 5 & 6 students have started the year full on. We have been learning about Australian Democracy. We explored the idea of us being a Ruler for the Day. Here are some of our thoughts:

“If I was ruler for the day, the first thing I would do is change my name to Tyrell the Tyrant. I would get people to build me four mansions. There wouldn’t be any schools because I would demolish them and build a McDonalds.” ~ Tyrell

“I would slave boys around and give them $2 an hour.” ~ Caitlin

“There would be no smokes or beer in town. No grown up would be in town. All the shops in the world would be here.” ~ Stevie-Lee

“I would build a theme park at the school. School would start at midday and end at 4pm.” ~ Gary

Our days at the high school are filled with lots of practical activities. We have enjoyed participating in science experiments, art, woodwork, music and cooking!

We have some wonderful singers in our class. We performed the song Dhirrabu Mari - Outstanding Murris for the Freedom Ride students who came to talk to us about the experiences of Charlie Perkins in 1965. 5/6 has also shown off our singing abilities in assembly, singing Everything at Once by Lenka, which is a song full of similes.

Bunna Lawrie and Michael came to visit our class this week. We played a few games where the students had to keep in time with the rhythm and they taught us a song called ‘Black Boy’ by Bunna and his band Coloured Stone, which was a huge hit back in the 80’s. We had a go at writing our own song, which one day we would like to perform for you.
